A message from Aptus CEO and Founder, Derek Berg

Greetings Everyone!

Happy New Year! It is my hope all of you and your families had a wonderful Holiday Season. I am beyond proud of the things we accomplished in 2023 as a company. In fact, I am elated with all the accomplishments we have achieved to date, over the past 12 years since we opened Aptus. On March 1st we will turn 13 – it's hard to believe how fast time has gone by.

I feel it is important to take a moment and thank all of you for your hard work and dedication to Aptus over the years. None of these milestones would have been achieved without your support. We here at Aptus are truly humbled to be surrounded by such an incredible group of people. Reporters, videographers, clients and Aptus team members – we couldn't do this without you. Again, thank you for all that you do!

Wishing you and yours a safe and prosperous 2024!

Cheers,
